Workshops Program

Thursday, April 3, 2025

08:00-12:00

Hands-on Workshop – Pediatric Ophthalmologic Examination

(Duration: 4 hours)

Description:

- Participants will experience all stages of examination, from approaching young children to specific assessments such as visual acuity testing, eye position and motility examination, refraction (including retinoscopy), direct and indirect ophthalmoscopy, fundus photography, intraocular pressure measurement in children, and more. They will also learn practical tips and strategies for successfully examining young patients.
- Additionally, participants will be familiarized with electrophysiological assessments in children.

Coordinator: Oana Andrei

Trainers: Oana Andrei, Adina Grigorescu, Mihaela Dragomir, Georgiana Milea, Bianca Cosoveanu

12:00-12:30

Coffee Break

12:30-15:30

Wetlab - Hands-on Workshop: 1. Strabismus Surgery. 2. Suturing Techniques in Oculoplastics (Duration: 3 hours)

Description:

- Participants will use silicone eye kits for practical exercises, watch video demonstrations, and receive live explanations and demonstrations.
- They will practice various surgical steps for strabismus surgery, such as duction testing, incisions, muscle anchoring, suture placement on the muscles, muscle disinsertion or resection, scleral reinsertion, and conjunctival suturing, all under close guidance and supervision.
- A station will also be available for practicing eyelid sutures.
- Surprise materials will be provided.

Coordinator: Raluca Nițescu

Trainers: Luminița Teodorescu, Raluca Nițescu, Irina Velcea, Mihnea Vulpe

15:30-16:00

Coffee Break

16:00-19:00

Hands-on Workshop – Refraction, Optical Correction and Amblyopia (Duration: 3 hours)

Description:

- This workshop will include a series of clinical cases analyzed and discussed interactively on a case-by-case basis, to enhance practical understanding of concepts related to visual acuity, optical correction, and amblyopia treatment. Participants will make diagnostic and treatment decisions.

Coordinator: Daniela Cioplean

Trainers: Daniela Cioplean, Daniela Goicea
